DECLARATION UNDER 37 C.F.R. § 1.132

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

1. I, Mark S. Brown, am an engineer employed by Internal Business Machines, Corporation. I have been an engineer for 17 years. I am not one of the inventors of the invention for which the present patent application has been filed with the Patent Office.

2. Upon request by Mr. Volel Emile, the attorney prosecuting the above-identified patent application, I reviewed the disclosure. Based on my understanding of the disclosure, I believe I can make or reproduce the invention described therein.

3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this Declaration is directed.

Respectfully submitted,

AT9-98-132
